ERLENE PACE, COMMODORE

ALOHA, SGYC Members, which means Hello & Good-Bye, since this will be my last article as Commodore. I am honored to have served you as Commodore. Thank you to the Board Members that helped me get through this year, living 300 miles & sometimes a 5-6 hour drive wasn't always easy making every event. Also, special thanks to all the event hosts for volunteering their time & creativity, without you the Club would not have such great memories. We still have some amazing events left this year. Please join Michael & me at the "Commodore's Ball", Saturday November 16th, at Meadowlark Golf Club. Ship's Store, Laura Roskelly & Ginger Hegler will have a "Sale & Preview" event at the Bonaire Clubhouse, Saturday December 7th, with wine & cheese. This year the theme for the "Huntington Harbour Boat Parade" is "Rock & Roll Fantasy", Saturday December 14th & Sunday December 15th, hosted by Rear Commodore Donna Wells. Last, but not least, "New Years Eve", at the Bonaire Clubhouse, Tuesday December 31st, hosted by Vice Commodore Francis & Aurelia Okino. Again, it has been a pleasure to be your Commodore. Keep SeaGate great, Pace out!

FRANCIS OKINO, VICE COMMODORE

The 2019 General Meeting was well attended. The power point presentations were well received and the screen projection of the pictures of the board members next to their presentation or duty description generated a lot of positive comments.

As expected, the flag officers recommended by the Board were all elected as follows:

- Junior Staff Commodore: Erlene Pace
- Commodore: Francis Okino
- Vice Commodore: Donna Wells
- Rear Commodore: Anne Marie Pichotta
- Treasurer: Jackie Sands
- Secretary: Cindy Broz Allen.

Kudos to Aurelia Okino for putting together the power point presentations.

Surf Safari Dock Party We could not have had a better day for this event—the weather was absolutely gorgeous and the attendance was great! The picture taking area set up was nice. Yes, Susan's Concoction of the Jungle Juice was a hit. There was a variety of foods to share and everybody had a great time. Our great thanks go to the skippers who volunteered their boats for the event and to our hosts Susan, Dale, Sharon and Mike.

DONNA WELLS, REAR COMMODORE

YES!!! It IS that time of the year!! The Boat Parade volunteers are in full swing! We are busy gluing, shellacking and lighting up the world with our design! This year the theme is Rock and Roll Fantasy. We have been gifted with the generosity of Robin and Jean Clark's beautiful vessel THE FIN-TASTIC! If you would like to volunteer for one, two or more hours and assist us with attaching lights, please reach out to me A.S.A.P. We would love to have you be apart of our fabulous team. And think how cool it will be when you see our entry and YOU can say, "And I helped!!"

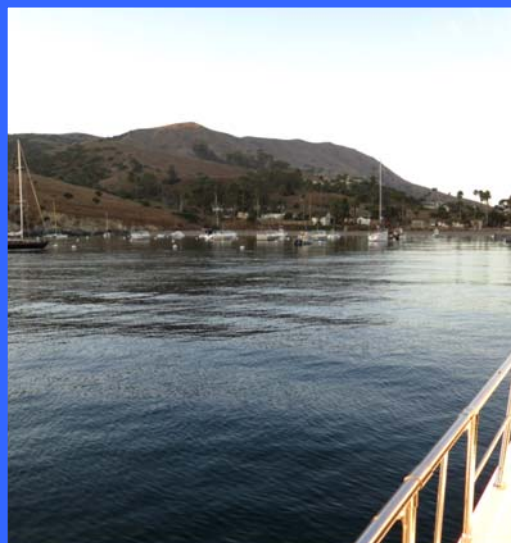

DR. MARK MONROE, M.D., FLEET SURGEON

Q: While using the vibrating hand sander to sand the teak wood trim on my boat prior to varnishing, my right hand and arm up to my elbow went numb and my fingertips turned white and hurt. It has been 2 days and it hasn't resolved. Should I do something about it?

A: The hand-arm vibration syndrome (HAVS) is a painful and potentially disabling condition of the fingers, hands, and arms due to vibration or prolonged exposure to vibrating tools such as sanders or grinders. Initially, there can be a tingling sensation with numbness in the fingers. Then, the fingers may become white and swollen when cold. When warmed up, they can be red and painful. Therefore, cold or wet weather may aggravate it by causing spasms of the blood vessels. . . .For the rest of this & more of SC Dr. Mark Monroe's articles see SGYC.Club.
