FRANCIS OKINO, COMMODORE

All remaining yacht club events for 2020 have been cancelled except the Huntington Harbour Boat Parade. Bob McCormick has graciously volunteered to handle the Boat Decoration for the parade. Please feel free to contact him if you want to help with the decoration or with the installation of the decoration on the Fintastic. Regarding 2021, we are hoping that the Covid-19 situation will improve to allow us to hold some events. We will soon be contacting the hosts of the 2020 events that were cancelled, to see if they will volunteer to host the same events in 2021.

If you want to propose an event for 2021, please contact me at francisokino2@gmail.com or 714-625-2513 as soon as possible, because we are working on the 2021 schedule now.

As you may be aware, we are still looking for a Vice Commodore and Rear Commodore. If you want this club to continue to provide quality entertainment that meets every member's expectation, then you must volunteer to fill these positions. Thank you for your continuous support of the club.

FLEET SURGEON**

SMOKE INHALATION

By
Mark N. Monroe, M.D.

Victoria asks: With the Silverado fire raging, is it dangerous to breathe the air? What about fireplaces with cooler weather, especially if they have not been cleaned in a long time?

Smoke inhalation occurs when you breathe in harmful smoke particles and gases. This inflames your lungs and airways causing them to swell and block oxygen absorption leading to A.R.D.S (Acute Respiratory Distress Syndrome), respiratory failure, and even death if not recognized and treated immediately. Most fires happen in enclosed places such as kitchen/galley or home/boat/RV. Cooking, fireplaces and space heaters, electrical malfunctions, and smoking are the major reasons for fires. Smoke can contain harmful chemicals such as ammonia, sulfur dioxide, chlorine, and even carcinogens. Odorless, tasteless, invisible carbon monoxide is the leading cause of death in smoke inhalation. Always make sure that your fire and carbon monoxide detector batteries are fresh and they are in proper working order as well as cleaning the soot in chimneys and replacing air filters regularly.

The signs and symptoms of smoke inhalation include but not limited to cough with mucus, shortness of breath, headache, hoarseness, pale skin, eye irritation, decreased alertness, sleepiness, soot around nose or throat, chest pain, dizziness, and even coma.

If you experience any of these symptoms, CALL 911! You need oxygen as soon as possible. The paramedics can measure your blood oxygen level using pulse oximetry and administer oxygen immediately. Once in the hospital, various tests can be administered to determine the state of your health. These include chest x-ray, arterial blood gas, and carbon monoxide levels. Based on the test results, they customize your treatments including bronchodilators and steroid anti-inflammatory medicines.

With the fires raging in Orange county currently, it is advisable to stay indoors as much as possible especially if you have asthma and allergies problems. Use the air conditioner in the house thus avoiding open windows. Please wear a mask to protect yourself from inhaling harmful air particles and breathing smokey air.

After you call 911, contact your family doctor as he/she knows you best.

10/2020 SGYC HARBOUR LIGHT ARTICLE

SeaGate Yacht Club

by Jackie Sands and SC Cindy Broz Allen

As we sit at home waiting for the all-clear, we think and dream of all that we are going to do once COVID-19 is no longer a danger. Now is the time to think about becoming a Commodore of SeaGate Yacht Club. One of the most rewarding volunteer opportunities that you can do is to go through the ranks of Commodore of the Seagate Yacht Club. If you are interested, please contact our illustrious current Commodore Francis Okino. You need not worry if you do not have experience, you will be supported and guided by the very capable SGYC Board.

SeaGate Yacht Club gives a wholehearted Welcome to our Newest Members who have joined this year even with the pandemic: Melissa & Mark Jones, Linda & Lyle Theile, Claudia Herrera, Dale Struck, Richard Boatright & Tanya Scheer, Richard Bigum & Mona Marcos, Nanette and Rick Zumwalt, and our new member and Webmaster Austin Dix. Thank you for joining our Club!

Ingenious SGYC members Nancy Knupp and Melinda Johnson-Pasqua have come up with 2 fun events that SGYC members can attend, one virtually, and one that is properly social distant. The first event is the Wine and Zoom Parry, which is a "virtual" happy hour, held on September 26. The second event is a Halloween Paddle out on the Lagoon, to be held on October 31. Be sure to check the SGYC website for more scheduled events.

Ahoy SeaGate Yacht Club members! Our Annual meeting will be held by Zoom this year. SGYC members can virtually come aboard and attend this important and informative event. Hope to SEA you there!

Watch for your Harbour Light magazine every two months for more articles about SGYC.

WINE AND ZOOM PARTY

DEAN AND NANCY

SeaGate Yacht Club had their first (and hopefully only) virtual happy hour on September 26th.

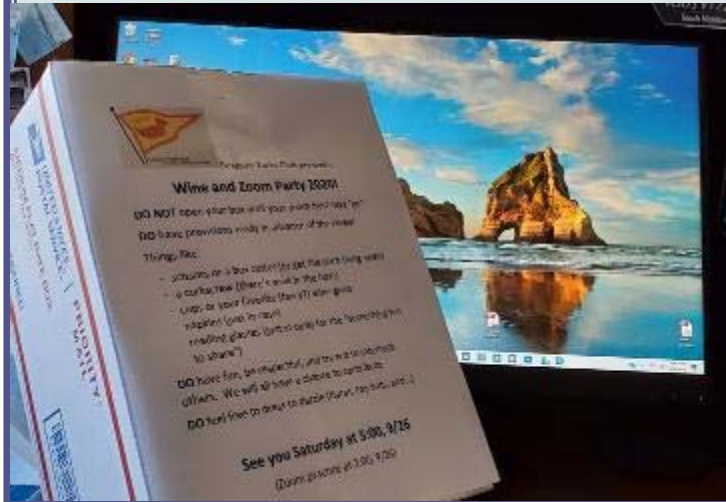

The 61 lucky guests received, in advance, a hand delivered mystery box filled with yummy treats, riddles and trivia, and of course a bottle of wine.

For those not yet familiar with Zoom, we had a practice session before the get-together. Many thanks to Sue Westover for being our Zoom trainer/hostess!

At 5PM our Commodore, Francis Okino, welcomed everyone and invited our guests to open their mystery box, and raise their glasses for a toast. Everyone had an opportunity to share a joke or riddle, or just tell how they are surviving during the pandemic. It was a great way to catch up and stay connected with the members of the club! Special thanks to Dean Knupp for chauffeuring during the deliveries, and to Nancy Knupp and Melinda Johnson-Pasqua for planning and executing this event.
