CINDY BROZ ALLEN, VICE COMMODORE

The September 10th Duffy Cruise to HHYC Brunch was hosted by SC Jeff and Bonnie Specht. SGYC members and guests arrived by Duffy or car where they enjoyed a tasty fare of made to order omelets, waffles, eggs, bacon, sausage, fruit, and more! Also in September was the popular Tuesday Cruzin' hosted by SC Mike and Sharon Courtway where Members came to Pelican Isle for the camaraderie and food. The Newport Cruise on September 21 -24th was hosted by Jeff and Tina Haas and SC Cliff and Sandy Meier with vital assistance of Robin Clark and Bruce anchoring the boats to the FIN-TASTIC. The Thursday Wine Pairing Party was held on SC Ray and Jan Nagele's boat, Yorkshire Rose. Friday night SGYC members and guests enjoyed a plated salad, an appetizing buffet, chocolate cake and serenading by Commodore Kelly Tidwell at the American Legion Yacht Club. Robin Clark won the wine basket with picnic items. The Saturday raftup cocktail party featured a "Dark 'n Stormy" drink served along with appetizers, on Robin and Jean Clark's boat, the FIN-TASTIC. Mona and Ron Jones guessed the number of shells in a jar to win a beautiful champagne basket. Sunday, there were calm seas to our Harbour. October 3rd was the Annual Meeting where we voted for 2018 Officers. The new additions to our 2018 Board are Rear Commodore Francis Okino and Port Captain Michael Pace. We thanked Port Captain Jim Hagin and Judie and JSC Mark Monroe and Lina for their service to SGYC. SC Mark Monroe will continue as Fleet Surgeon. We also thanked Robin and Jean Clark who graciously agreed to let SGYC decorate their boat, FIN-TASTIC, for the 2018 Boat Parade. And I especially want to give a big THANK YOU to the 2017 Board members who signed on for 2018! October 14th, SC John and Margaret Humphreys hosted the lively Jimmy Buffett Party, where (perfect!) margaritas were made by Port Captain Jim Hagin. A wonderful entertainer sang our favorite Jimmy Buffett songs and there was an abundant barbecue with Beef Brisket, Chicken and all the fixings. Support our Club and our event hosts and sign up early, you don't want to miss out on all the fun!!

ERLENE PACE, REAR COMMODORE

2017 ANNUAL MEETING

SGYC 2018 BOARD OF DIRECTORS

"DayTripper" Adventure

From Mike Courtway, 2006 Staff Commodore

I want to share with SGYC members information on a very enjoyable trip Sharon and I made the first week in October. It's a trip that can be made in smaller boats as well as larger ones. A friend of mine made the trip last year in his dingy. He and his two buddies came back wringing wet. The trip is to the USS IOWA exhibit in San Pedro.

What made the trip so enjoyable is once you pass the Long Beach Harbor entrance you can stay inside the federal break wall all the way over to San Pedro Harbor. When you turn into San Pedro you almost immediately pick the sight of the USS IOWA docked a mile or so ahead on the port side. As you slide into the harbor you pass Ports of Call on the port. As you near the bow of the USS IOWA, you pass the Maritime Museum and then observe the Fire Station. Between the two is an opening to a public harbor. Pull in and find a place to dock. It's a large, new docking system. Once you have secured your boat, walk out to the street, turn right and walk past the fire station. You will then see the ticket booth and entrance to the USS IOWA. The tour takes about two hours and is well worth the effort.

There are other things to do in the area. The docks are right next to the Maritime Museum and next to that, an Acapulco Restaurant. Ports of Call is a little longer walk. Upon arrival we were the first boat in the harbor. When we left, there were two other boats tied up, including a large Carver. An engine room tour starts soon, also.

The trip is 14 miles, dock to dock. A very enjoyable day trip. Call the ticket booth for more information @ 877-446-9261.

DR. MARK MONROE, M.D. STAFF COMMODORE

Shoulder Injury

Q: On the recent cruise to Avalon I was jumping off my boat's swim step while holding on to it. I felt excruciating pain in my shoulder and thought I had dislocated it. When I went to the Avalon clinic, after he x-rayed it, the doctor told me I have a Rotator Cuff Tear. What is the Rotator Cuff Tear?

To read Dr. Monroe's answer please go to the SGYC website, www.sgyc.club
