ERLENE PACE, COMMODORE

The summer solstice has marked the official start of summer. It brings the longest day & shortest night of the year for the 88 percent of Earth's people who live in the Northern Hemisphere. Now, onto Yacht Club stuff! If you haven't attended "Tuesday Cruizin", hosted by Staff Commodore Mike & Membership Sharon Courtway, there is still time, July, August & September (2nd & 4th Tuesday), at Pelican Isle. I call it Thirsty Isle, cuz that's what I am when I get there! New news, we have a Potluck event planned for Friday August 23rd, at the Bonaire Clubhouse. Watch your email for more details. Get ready for my favorite event of the year, CATALINA, hosted by Commodore Erlene (oh that's me) & Port Captain Michael Pace. This year we have changed it up to, "Two Harbors Cruise", so go west my friends. If you are not coming on your own Yacht, skiff or Duffy, Catalina Express has daily departures from San Pedro.

FRANCIS OKINO, VICE COMMODORE

The 2019 Night at the Races, as usual, did not disappoint the 72 guests who attended. The weather was nice, the food was great and the atmosphere was festive as we celebrated the birth days of two of our members, Commodore Erlene Pace and Staff Commodore Tom McKnew with two beautiful cakes.

The highlight of the event was the hat contest which was won by Helene Rowlette, second Susan Westover and third Erlene Pace. Event hosts Eugene and Lucille Mascoli exhibited such enthusiasm in selling \$360.00 of 50/50 tickets from which 4 winners were drawn. Yes, the famous Trivia Quiz had some very interesting questions and Table 10, occupied by the Rowlettes, McHardys and their guests won by getting 8 of the 15 questions correct. The Lucky Buck winners were: First, Robin and Jean Clark, second, Evanne Connors, third Thomas and Anne Marie Pichotta. As far as betting on the ponies, there were a few winners and a few that were not so lucky. All in all, it was a fun filled event and everybody had a great time. Our appreciation and thanks go to the Master of Ceremonies (MC) Staff Commodore and Judge Advocate, Dale Giali and event hosts Francis and Aurelia Okino and Eugene and Lucille Mascoli for a job well done!

DONNA WELLS, REAR COMMODORE

SGYC Members!! Summer has arrived! The Tuesday Cruzin' Duffy Run has fully commenced! On 2nd & 4th Tuesday evenings from June thru September we meet at Pelican Isle for fun, food and great conversation. Members arrive by boats, Duffy's and cars. Mark your calendar Friday 8/23 for our SGYC Open House at the Bonaire clubhouse for a Fabulous, Fun Friday Happy Hour. Stay tuned for more details. Please check the Website sgyc.club or FACEBOOK for the dates and times of all future events.

DR. MARK MONROE, M.D., FLEET

CAN LIPS GET SUNBURNED

The short answer is YES. The UV radiation from the sun can lead to DNA damage. The lips can develop pre-cancerous actinic keratosis which can lead to squamous cell cancers, even the deadly melanomas. The UV rays can reflect off shiny surfaces like water and snow. UV rays can cause the lips to become dry, split, red, painful, and pre-disposed to cold sores (herpes virus infection). Lipsticks that do not have a sunblock in them don't necessarily protect the lips. The FDA has approved only 2 ingredients for sun protection: zinc oxide and titanium dioxide. You should read the label of the sunscreen or chap-stick to make sure they have these ingredients. They should be re-applied regularly as they get rubbed off or eaten. A broad-brimmed hat that covers your nose, ears and lips would be best to protect you against the sun rays. Ask your family doctor for Silvadene cream in case you get sunburned as it treats 1st, 2nd, and 3rd degree burns. See more of SC Dr. Mark Monroe's articles on SGY.Club
