2021 Remaining Events

As you are aware, our next event is the Main Event- The Commodore's Ball, on November 13, 2021 at the Navy Golf Course Ballroom in Cypress. Please return your invitation card immediately because we need to know what food you have chosen for dinner for your main course.

The next event is the Holiday Boutique on December 4, 2021 hosted by our Ship Store Manager, Laura Roskelly. Laura is planning to have a range of Seagate Yacht Club merchandize and of course you will enjoy some wine and crackers as you shop.

The Huntington Harbour Boat Parade will be held on December 11 & 12, 2021. The theme this year is "American Dream, Rock the Harbour". Our Rear Commodores are already working on the boat decoration. Feel free to contact them if you want to help with the decoration.

The finale is of course the New Year's Eve Party on December 31, 2021. Vice Commodore Mona Marcos, the host, is already working on putting together what promises to be a wonderful Party.

Night at the Races- September 11, 2021

After a long delay due to Covid-19 Racetrack closure, Night at the Races eventually happened on September 11, 2021. It was the first Group Party Event that Los Alamitos Racetrack allowed in 2021!

Event hosts-Francis, Aurelia, Jackie, Lucille and Eugene made sure that everyone of the 63 guests had a good time with Aurelia and Jackie covering the hat contest, Francis dealing with the trivia quiz and of course Lucille and Eugene handling the 50/50 ticket sale.

The food was great and everybody had plenty to eat. As usual, the hat contest was the highlight of the evening. Indeed the first place with a prize of \$ 70.00 was won by Lolly McHardy. For the first time, a hat contest was won by a man and he took second place with a prize of \$ 50.00. It was none other than new member Jay Bottomley! Third place with a prize of \$ 30.00 was won by our Judge Advocate, Susan Westover Giali.

Eugene and Lucille sold 50/50 tickets worth \$ 360.00 and \$ 160.00 was given to 4 winners, each receiving \$ 40.00

The Trivia Contest was won by Table 2 and they were rewarded with 2 nice bottles of wine!

As to betting on the ponies, I am sure there were winners and losers, but all in all, it was a fun filled evening.

Get ready to join the fun in June 2022.

The Annual meeting

On October 15th we had our annual meeting to select and vote on the new board for 2022. Cindy counted the ballots, and the results were:

Mona Marcos – Commodore

Tiffany Vlasek – Vice commodore

Melinda Johnson Pasqual – Vice commodore

Rear commodore- no candidate

We had a great turn out with around 65 members. We had a nice social hour with beer, wine, soda and pizza, however we missed quite a few of you. We need a volunteer for the rear commodore to keep this club going. So hopefully someone will volunteer soon. We also have a couple of other position that are open, the membership and communication chairs, so we're looking for those positions as well.

This is not a "Commodore's club" but rather a member's club, so it's very hard for the club to continue without the members volunteering for these positions are they're very important for the club to survive. So please either volunteer or ask your good friends to do so.

We're also having a fun dock party planned for October 23 and a Commodore's ball on November 13th.

If you like good food, fun time, good entertainment and a great time, then plan to also attend the New Year eve's party as it promises to be a great party time.

What started off as a cold, grey, drizzly morning turned into a gorgeous sunny day for our Docktoberfest Party on the Bimini Docks. We had close to 60 members and guests in attendance. We had 5 larger boats along with a handful of Duffys for us all to sit on, chat and relax during the event.

Sue Westover-Giali hosted us with her signature cocktail, the Apple Strudel-tiny which was a fabulous concoction of German Apple Whisky, sparkling apple cider and cranberry juice. She had fun decorations and Floyd and Mira D'Angelo brought out their wooden SGYC arch that they made years ago for dock events such as this.

Attendees brought fun foods such as homemade pretzels and cheese dip, bratwurst, sausages and sauerkraut for sandwiches, cheese, meat and cracker platters, German cookies and Black Forest Cupcakes.

After lockdowns and limited events, I think, we are all really enjoying spending time together and trying to adjust to the "new normal." Events such as these, give us all a chance to be together and remind ourselves how lucky we are to live where we do and to be with the people that are our neighbors and friends.

September 28 was the last Tuesday Cruizin' of the season. It was a small, but fun group. Our thanks to Sharon and Mike Courtway for being the hosts of this popular and ongoing event.

Part of our responsibilities as Rear Commodore is reporting on past boating events. We are sad to report that the Newport Raft Up, scheduled for September 16th-18th was cancelled due to lack of participants. We're grateful to Floyd and Mira D'Angelo for all of their work in planning this event.

This is a difficult conversation, but we feel that it is important for the future of our club. We have received some comments from a few members saying that they are concerned that Seagate Yacht Club is becoming a social club, instead of a yacht club. Our response: if you are unhappy with the events on our schedule, please step up and host a boating event. You will have the support of all of the flag officers.

SGYC is a very unique club, unlike the more traditional yacht clubs. Residents of Seagate are welcome to join, whether they own a boat or not (and yes, we are happy to have our boatless members!). We don't have our own brick and mortar location, which means we don't have rent, insurance, staff, and a restaurant – which means the annual membership fee is very, very low. We do have a diverse, interesting, fun group of members that enjoy events like the Summer Festival, Opening Day, Night at the Races, Avalon Cruise, and Docktoberfest to name just a few.

Please join Tiffany and me in keeping our club strong. We are open to ideas, suggestions, and offers of event hosting.

Q: What can be done to prevent and get rid of bugs on the boat?

A: Cockroaches, spiders, rats, weevils, mosquitoes, no-see-ums, and bees are unpleasant invaders and even more so on the boat.

Here are suggestions for preventions and eviction of these pesky critters:

- 1. Cockroaches like to eat the glue of the cardboard boxes and paper labels where they will lay their eggs. Never bring cardboard on to the boat. Transfer from the cardboard boxes to reusable shopping bags prior to boarding a boat. To get rid of the cockroaches, sprinkle a sugar cube with boric acid and place it on the aluminum foil. That should do it.**
- 2. When a boat has not been used for too long, spiders will set up their webs. Cleaning and vacuuming your boat monthly will prevent and treat this problem.**
- 3. Rats are the most dangerous because they can eat the vinyl coating off your wires and cause electrical short circuit and even a fire. Use a large plastic funnel on your dock lines and shore power cord near the boat to prevent the rats from coming aboard. Use rat traps with warfarin-based poison to kill the rats once they are onboard. Check traps regularly as the dead rats can stink up the boat.**
- 4. Weevils like grains, such as flour and pasta products. Sealing these products in vacuum packed or Ziploc bags with a bay leaf, will prevent the weevil invasion. Once the weevils are already there, you can microwave the grains for 5 minutes to kill them.**
- 5. Mosquitoes and no-see-ums like to come out at dusk and dawn. Use bug screens at hatches, portholes, and doorways. There is a magnetic screen available on-line that seems to be popular with the cruisers. Avoid any open stagnant water. Even a capful is enough to breed their eggs. DEET and Repel lemon eucalyptus tree bark oil sprays work really well for prevention. You can even spray it in your boat.**
- 6. Bees can sting and even be fatal if you are allergic to them. They are usually attracted to garbage and open food. Make sure your garbage cans have lids on them. You can buy or make a bee trap for your boat. It is a water bottle with wholes in it filled with colored sugar water. Bees get in, but cannot get out. Make sure you have an Epi pen if you have allergies to bee stings. Your family doctor can prescribe it.**

SeaGate Yacht Club

Written by Jackie Sands and Staff Commodores Cindy Broz Allen and Josef Davydovits and Vice Commodore Mona Marcos

SeaGate Yacht Club members enjoyed major events in July and August. On Sunday, July 11, SGYC members and guests participated in a fun Duffy Boat cruise inside Huntington Harbour. It was a beautiful sunny day, everyone appreciated being out on the water. The seven boats arrived at the docks of Huntington Harbor Yacht Club after the cruise for a great brunch. More than fifty people dined on a delicious brunch prepared by the skillful staff of HHYC. Thanks to Commodore Rudy Lopez, all our members felt very welcomed to the host yacht club.

Thanks go to Staff Commodore Josef Davydovits and Felicia Emad for organizing this special and successful SGYC event. We hope to do this again!

On July 13th and 27th, and August 10th and 24th, Tuesday Cruzin' hosted by Staff Commodore Mike and Sharon Courtway, continued. Pelican Isle has been a good host for the event over the years. Looking forward to seeing SGYC members and guests all summer on the 2nd and 4th Tuesdays through September.

On August 21, more than one hundred SeaGate members and guests experienced the First SGYC Summer Festival, hosted by Vice Commodore Mona Marcos and Ship's Store manager Laura Roskelly. It was a wonderful event with food trucks serving delicious ribs, Greek food and specialty ice cream and a Cocktail Bar pouring a specialty drink and other libations. The festival also had a talented magician who walked around the crowds doing amazing tricks, and a caricature man who worked non-stop, doing artistic sketches for people. And there were vendors who had unusual, creative, and beautiful products to offer. SGYC Ship's Store manager Ginger Hegler had a big sale going on. People had fun shopping.

From Harbour Light Magazine October 2021

The DJ was awesome and played oldies music that people could not resist dancing to. He entertained us non-stop for the whole 4 hours. And Locals also showed their Vintage Cars that those in attendance appreciated seeing.

A BIG thank you goes to VC Mona Marcos for conceiving and organizing the event and to Laura Roskelly for her creative mind and beautiful decorations. And another BIG thank you for all that gladly volunteered to help, which ensured the success of this event.

SeaGate Yacht Club Commodore Francis Okino gave twelve new members their official SGYC flags. The new members are Joyce Zimmerman and John Ochs, Margee Lennard and Jay Bottomley, Stephanie and Carlos Briceno, Ines Ayola and Brian Weiner, Jon and Jetty Boulware, and Mirtha and Ramon Herrera. Welcome Aboard!

Hope to see everyone at the next SGYC event!
