Ahoy Mates, there be a Shipwreck Dock Party on Saturday, May 19, hosted by the lovely wenches Sharon Courtway and Sue Westover with their scallywag pirate mates Staff Commodore Mike Courtway and SC Dale Giali. Bring some grub and grog and feel free to wear pirate themed attire.

June is "bustin' out all over" with four popular events! The Belmont Stakes and SGYC Night at the Races coincide this year on June 9, what could be more exciting!! Bet on your favorite to win while relishing the delicious Buffet. Rear Commodore Francis and Aurelia Okino and Eugene and Lucille Mascoli are your charming hosts. June 12 and June 26 starts a new season of Tuesday Cruzin' hosted by Staff Commodore Mike and Membership Sharon Courtway. It is a fun, casual gathering of SGYC members and guests. And on June 24, Staff Commodore Jeff and Bonnie Specht are hosting the Duffy Brunch Cruise to HHYC. This popular cruise takes advantage of the great buffet put on by our yacht club neighbors, Huntington Harbour YC.

2018 SGYC Opening Day was one of the Best due to all the preparation that went into it by Event Hosts Junior Staff Commodore Kelly Tidwell and Fran Cyrus, and assisted by SGYC 2018 Board Members, SGYC members, guests and Teak Catering. It was a Great Opening Day, Thank You!

### **ERLENE PACE, VICE COMMODORE**

Boating season is officially open & what an amazing year so far! Every event has sold out way before the due date, so please keep this in mind for future events. Thank you to hosts Cathy Kelly & Mary Ann Brinket for such a fun & entertaining "St. Patrick's Day". Now for "Opening Day" WOW, WOW, WOW, I have to say the best ever! I am still vibrating from the excitement, or maybe it's the power tools used on the remade Yardarm. Kudo's to hosts Jr. Staff Commodore Kelly Tidwell & Fran Cyrus for such a fabulous job, everything was Franperfect!! Also, special thanks to the boat skippers, members who helped decorate, members & guests who participated & Commodore Cindy Broz Allen for keeping us in line & on queue. So proud to be part of SEAGATE Yacht Club, that is truly "Friendship & Boating", as our motto states. Argh Matey, get those pirate & wench costumes dusted off & I'll see your booty on the docky!

### **FRANCIS OKINO, REAR COMMODORE**

As organizer of the boat parade, I want to extend my sincere thanks and appreciation to the boat captains who participated with their boats on opening day. The fleet of 14 boats participated in the parade, and from what I could observe, it appears that everybody on the boats had a great time during the parade. Everybody who requested for a ride was assigned to a boat. The Harbor Patrol was great with their water cannon and well wishers cheered as the parade passed by.

The cruise along the channel went without a hitch, the boats returned to their docks safely and the members and guests got back to the club house in time to attend the ceremony and enjoy the dinner. It was a successful Opening Day Boat Parade.

### **DR. MARK MONROE, M.D., FLEET SURGEON**

Q: Lina asks: I have difficulty clearing my ears when I scuba dive or fly. What can I do?

A: To understand what you can do, you have to understand the underlying mechanism and anatomy. When your head gets congested, the drains swell and close. This prevents equalization in all air spaces including the sinuses and ears. For the complete answer to Lina's question and more of Dr. Monroe's very informative articles go to the SGYC website, [www.sgyc.club](http://www.sgyc.club) and scroll down to

# ST. PATRICK'S DAY

Everyone is Irish On St. Patrick's Day, as the saying goes. The SGYC members were all in green. Hosts Cathy Kelly and Mary Ann Brinket did a wonderful job. Tons of food, entertaining Irish Dancers and Scrambled Irish words game. The favorite Irish song, Danny Boy, was sung led by the silvery voice of Jr. Staff Commodore Kelly Tidwell. ## OPENING DAY

The boat parade went off without a hitch thanks to the organization of Rear Commodore Francis Okino. If it wasn't the best opening day ever, it was right up there. The weather: perfect, the boats: ship shape, the flag presentation: all hands at the yardarm (newly built by Port Captain Michael Pace) and at attention, the ceremony: staff, invocation dignitaries and music present and on key. The mess hall: flag decorated and tons of food for all.
