DUFFY CRUISE TO HUNTINGTON HARBOUR YACHT CLUB

DR. MARK MONROE, COMMODORE

Hello fellow yacht club members! The summer is over, and the yachting events have come to pass. Many wonderful events have already happened at the club and on the water and we have few more to come.

We still have few events this year. the Commodore's Ball, the Boat Parade and the New Year's Eve Party. I hope all of you will consider sponsoring these great events as all event hosts worked very hard putting them on.

The General Membership meeting on October 4 was a great success. Many members came to celebrate last year's achievements and to elect the new flag. Congratulations to all elected members. I am sure it is going to be a very successful year ahead of us with such a great group of people leading us next year.

This is the last article I write as your Commodore. It was my pleasure serving this club as your Commodore. You all made it very easy and pleasant for me. I would like to thank all members and guests for attending our events. Your active participation shows your support of the yacht club and appreciation of the hard work our volunteer hosts put into planning these events.

KELLY TIDWELL, VICE COMMODORE

Happy Fall, y'all!

I hope your Summer has been relaxing and fun like mine! It's been a Summer full of fun, boating, great friends, laughter and lazy days.

We will officially pass the torch at the Commodore's Ball.

We had a great time at the October Duffy Brunch at Huntington Harbour Yacht Club. HHYC was all decked out for us. We had so many members in attendance that we even filled tables upstairs.

A favorite Fall tradition is going to haunted houses during the Halloween season! The end of October we headed out to one of our favorite local haunted houses SGYC Clubhouse. We were so excited to dress up like ghosts and goblins and see all of the creative costumes. Great Mexican food, plenty of dancing, laughs and cheers.

On October 4th we all met at the SGYC Clubhouse for our Annual General Membership Meeting to elect our new Officers, Directors and Staff for 2017. We began, as usual, eating. After plenty of food and refreshments we got to the serious business of voting for our 2017 Flag Officers. A truly amazing group of new Officers were unanimously voted into office.

In the spirit of fall, the turning of the leaves, moving the clock back, shorter days and cooler nights, we wish you the warmth of Family and Friends during the Thanksgiving and Holiday Season.

CINDY BROZ ALLEN, REAR COMMODORE

As you may know, Brent Friedland announced his resignation as Rear Commodore to Commodore Mark Monroe. Per the SeaGate Yacht Club Bylaws, The Commodore selected me as a replacement officer for the mid-year vacancy with the Board's approval.

My main responsibility now is to assist with the SeaGate Yacht Club Boat Parade Entry for the 2016 Huntington Harbour Boat Parade. Bob McCormick has graciously come out of "retirement" to ensure we have a marvelous entry. Sandy Atherton, Marilyn Schwartz, Josef Davydovits, and others are donating their time and expertise also. Commodore Mark Monroe and Lina have graciously allowed SGYC to use their 49' sailboat, the ROMIDA this year. SGYC thanks Robin and Jean Clark for allowing their boat FIN-TASTIC to be decorated for many years. There is still time to join our work parties to help out!

I consider it a privilege to be your Rear Commodore and will perform my duties to the best of my abilities. For those who noticed my byline above, I have added my father's last name Broz (pronounced like Rose) to honor my father who I know would be proud of me.

DUCT Tape for Blisters

Lloyd asks:

My wife wore new shoes on our vacation and got painful blisters on her feet. What could we do to prevent ruining our vacation?

Blisters are a very common ailment especially with new shoes and/or a wet environment. They are caused by chafe which causes friction and heat build-up. Moisture softens the skin thus making it more likely to develop the blisters. Wearing thick socks will help prevent the chafing. Nylon stockings do not protect your feet from chafe. As soon as the red tender hot spot is detected, try to cool your feet in cold water and then dry them very well. Stop the friction by using moleskin tape which is available in large drug stores, or using duct tape which is available pretty much everywhere. Tincture of Benzoin topical solution can be applied to skin to prevent adhesive tape irritation. It is available in most drug stores and should be in your first aid kit anyway. Never use Gorilla tape as that will pull your skin off when it's time to remove it.

Once the blister has formed, do not try to pop it on your own as your intact skin is the best barrier against infection. Use silver sulfadiazine 1% cream (if not allergic to sulfur) on a Band-Aid to cover the blister. Then use a large piece of duct tape (twice as big) on top of the Band-Aid to further protect the injured skin. You should do it twice a day until the wound has healed. The duct tape has no elasticity and should not stretch out of shape. Do not wrap the duct tape all the way around your foot as it may act as a tourniquet and cause a painful and dangerous compartment syndrome.

Contact your family doctor as he/she will be the best person to advise you.

2016 Membership Milestones

1 TO 4 YEAR MEMBERS		Erlene & Michael Pace	1	Vance & Tiffany Vlasek	2	Mary Ritter	3
